WHO WE ARE

Aroma Italiano fue fundada en Costa Rica en el 1992 como una empresa puente para la promoción de nuevas tecnologías en el sector de la construcción en los mercados emergentes de América Latina.

Desde 2006, gracias la experiencia adquirida por los dos socios fundadores en el campo de la Bio Arquitectura y de la Arquitectura Sostenible, el team de Aroma Italiano, promueve e investiga materiales y soluciones técnicas innovadoras, para una arquitectura inteligente y responsable.

DISEÑO Y SOLUCIONES SOSTENIBLES PARA EL BIENESTAR Y EL CONFORT HABITACIONAL

Creamos una cultura de la Arquitectura Sostenible, diseñando, construyendo y promocionando soluciones para hogares sanos, seguros y duraderos en el tiempo, producto de tecnologías y materiales no dañinos para los seres humanos y el entorno, con un impacto ambiental reducido y con atención al ahorro de energía gracias al empleo de fuentes renovables.

Aroma Italiano
ECO DESIGN BIO ARCHITECTURE CONSULTANT

Aroma Italiano es un departamento técnico en Outsourcing al servicio de los arquitectos, diseñadores y constructores.
Es promotor de tecnología y sistemas. Se ocupa de investigación y capacitación en eco-materiales, productos y soluciones de última generación en el ámbito del Green Building.

WHAT WE DO

- Asesoría técnico-aplicativa y estudio de factibilidad sobre el uso de productos y soluciones
- Formación y capacitación sobre eco-materiales y tecnologías de construcción
- Diseño e ingeniería de productos, soluciones y detalles constructivos
- Administración y control de estándares y calidad técnica
- Proveedor de productos y de servicios de interiorismo para los contract
